Section 27. Utility Easements. Except for easements and Declarant's rights relating thereto as set forth in Article IV, Section 1 hereof, no Owner shall erect on a Lot, or grant to any entity the right, license or privilege to erect or use, or permit the use of, overhead wires, poles, or overhead facilities of any kind for electrical, telephone, or television service (except such poles and overhead facilities that may be required at those places where distribution facilities enter and

Each Owner shall contact Declarant prior to the connection of his or her Dwelling Unit to the sanitary sewer system and the Storm Water Drainage System constructed and maintained by Declarant so that Declarant can verify and inspect, or arrange for verification and inspection of, the separate connections of the Owner's Dwelling Unit to the respective discharge systems. Should any Owner fail to comply with the provisions of this Section 28 and Declarant incur any costs associated with curing said failure, including, without limitation, disconnecting improper connections to Declarant's sanitary sewer system, Declarant shall have the right to collect all of said costs from the Owner, including, without limitation, the costs of collection and reasonable attorney fees.

In addition to the foregoing, each Owner shall take all steps necessary to keep the Storm Water Drainage System provided by Declarant clear of debris so as to maintain the flow of surface water to and through said Storm Water Drainage System for purposes of properly draining said Owner's Lot. Should any Owner fail to comply with the requirements hereunder, Declarant, or the Board, as appropriate, shall have the right to enter onto said Owner's Lot and repair any Storm Water Drainage System and/or remove any debris or other items blocking the flow of water to or through said System, and charge said Owner for all costs and expenses incurred in doing so. All costs and expenses incurred by Declarant, or the Board, as appropriate, and charged to the Owner hereunder shall be considered part of and added to the amounts assessed and collected under Article VI hereof.

Section 29. Single Owner Contiguous or Multiple Lots. Whenever two (2) or more Lots in Fawn Creek Estates, Section III, shall be owned by the same person, contiguously situated or otherwise, such Owner shall be subject to and agree to pay to the Association for each Lot owned by said Owner all assessments and other charges collectible by the Association pursuant to Article VI of these Restrictions, except in the event a Dwelling Unit is constructed on such contiguous Lots so that any portion of said Dwelling Unit is located on or across the common Lot line intended to divide said Lots. In such a case, the subject contiguous Lots shall be considered one (1) Lot for purposes of all assessments and other charges collectible by the Association and payable by the Owner pursuant to Article VI of these Restrictions.

In addition to the foregoing, the Owner of any Lot or multiple Lots, including any contiguous Lots referenced above, shall be responsible for providing yard-quality grass seeding and appropriate maintenance thereof for each Lot owned pursuant to Section 25 of this Article III. Any proposed use of any Lot or Lots owned by any Owner in addition to the Lot owned by said Owner upon which said Owner's Dwelling Unit is constructed shall be consistent with and not violate any provisions contained herein. Any proposed temporary or other use of any additional Lot or Lots inconsistent with or in violation of any provisions contained herein shall be subject to the prior approval by the Declarant, or Committee, as appropriate, pursuant to Article V hereof.

Section 30. Construction Damage. Each Owner shall be responsible for any damage caused to any Lot, Common Area, or other Properties during or after construction by any contractor and/or subcontractor engaged by said Owner to construct a Dwelling Unit or any other improvements on said Owner's Lot. Full ingress and egress shall be had by Declarant at all times over the Properties for the installation, operations, maintenance, repair or removal of any utility together with the right to remove any obstruction that may be placed in such easement that would constitute interference with the use of such easements, or with the use, maintenance, operation or installation of such utility. The grade of the land in any such easement shall not be changed or altered by any Owner of any Lot, after the said grade has been established. All utility easements as dedicated on the Plat shall be left free from all permanent structures and the removal of any obstructions, whether temporary or permanent, shall be subject to the paramount right of the utility and/or sewer

installation. Declarant shall have the right to assign and transfer the easements and rights herein reserved to or for the benefit of any public or quasipublic utility.

Section 2. Surface Drainage Easements. Section 3. Surface Water. No rain or storm water runoff shall at any time be discharged or permitted to flow into the sanitary sewage system, which shall be a separate sewage system from the storm water and surface water runoff outlets. No individual water supply system or individual sewage disposal system shall be installed, maintained or used on any Lot except:

At any time thereafter so long as Class B Members of the Association exist, the

Declarant may convey and transfer to the Association such additional real and/or personal property as the Declarant, in its sole discretion, deems appropriate, and the Association shall accept such transfer and hold such property as part of the Common Areas.

Section 3. Extent of Members' Easements. The rights and easements of enjoyment created hereby shall be subject to the following:

(a) The right of the Association to prescribe regulations governing the use, operation and maintenance of the Common Areas (including limiting the number of guests of members);

(b) The right of the Declarant, and of the Association in accordance with its Articles and Bylaws, to borrow money for the purpose of improving the Common Areas and facilities and in aid thereof to mortgage the Common Areas, and the rights of such mortgagee in the Common Areas shall be subordinate to the rights of the homeowners hereunder;

(c) The right of the Association to take such steps as are reasonably necessary to protect the Common Areas against foreclosure;

(d) The right of the Association, as provided in its Articles and Bylaws, to suspend the voting rights of any member and to suspend the right of any individual to use any of the Common Areas and/or common facilities for any period during which any assessment against a Lot resided upon by such individual remains unpaid, and for any period not to exceed thirty (30) days for an infraction or its rules and regulations;

(e) The right of the Association to charge reasonable admission and other fees for the use of recreational facilities of the Common Areas; and

(f) Subject to approval by the affirmative vote of the Association's Members, as provided in Section 3 of Article VII, the right of the Association to dedicate or transfer all or any part of the Common Areas to any public agency, authority, or utility for such purposes and upon such conditions as may be agreed to by the Members.

ARTICLE VI

COVENANT FOR MAINTENANCE ASSESSMENTS

Section 1. Creation of the Lien and Personal Obligation for Assessments. Each Owner of a Lot (by acceptance of a deed therefor, whether or not it shall be so expressed in any such deed or other conveyance), for each Lot owned by any such Owner, hereby covenants and agrees and shall be deemed to covenant and agree to pay to the Association (or to a mortgage company or other collection agency designated by the Association) Annual Assessments or charges (the "Annual Assessments"), to be paid on June 1 of each year (hereinafter called "Annual Payment Dates") or in such other installments as the Board may elect. The Assessments, together with such interest thereon and costs of collection thereof as hereinafter provided, shall be a charge on the land and shall be a continuing lien upon each Lot against which each such Assessment is made.

The Assessments, together with such interest thereon and costs of collection thereof as hereinafter provided, shall also be the continuing personal obligation of the person who was the Owner of such Lot at the time when the Assessments became due.

Section 2. Purpose of Annual Assessments. The Annual Assessments levied by the Association shall be used exclusively for (i) the care, preservation, supervision, improvement and maintenance of the Common Areas and of the improvements situated thereon; (ii) the payment of taxes on and insurance in connection with the Common Areas and the repair, replacement and making of additions thereto; (iii) paying the cost of labor, equipment (including the expense of leasing any equipment) and materials required for, and management, supervision, maintenance and repair of, the Common Areas, including without limitation, the storm water detention basin and control structures, and of any existing and future recreational ponds or lakes together with any outlet and water level control structures and of the park area and improvements situated thereon, (iv) carrying out the duties of the Board as set forth in Article VIII hereafter; and (v) carrying out the purposes of the Association as stated in its Articles of Incorporation.

Section 3. Improvement and Maintenance of the Common Areas Prior to Conveyance to the Association. Upon conveyance of any portion of the Common Areas to the Association, the Association shall have the responsibility and duty of improving and maintaining that portion of the Common Areas conveyed by the Declarant. However, the Declarant shall have the responsibility and duty of improving and maintaining all Common Areas prior to conveyance thereof to the Association, including, without limitation, the payment of taxes on and insurance in connection with the Common Areas (or the portion thereof that has not been conveyed to the Association) and the costs of repairs, replacements and additions thereto, and for paying the costs of labor, equipment (including the expense of leasing any equipment) and materials required for, and management and supervision of, the Common Areas. In this regard, and during such period, all Assessments, both Annual and Special, collected by the Association shall be forthwith paid by the Association to Declarant, to the extent that such Assessments are required by Declarant to improve and maintain the Common Areas as set forth in this paragraph. The Association shall rely upon a certificate executed and delivered by the Declarant with respect to the amount required by Declarant to improve and maintain the Common Areas hereunder. Any sums required by Declarant to improve and maintain the Common Areas, in excess of the Assessments collected by the Association, shall be borne and paid exclusively by Declarant.

Section 4. Basis and Amount of Annual Assessments.

(a) Until the year beginning January 1, 2024, there shall be no Annual Assessment under this Article VI.

(b) Commencing as early as the year beginning January 1, 2024 and each year thereafter, the Board, at its annual meeting and effective for the year commencing with the next January 1, and each January 1 thereafter, shall set the amount of the Annual Assessment for the following year for each Lot, taking into consideration the current maintenance costs and the future needs of the Association, provided that the Annual Assessment shall never be less than \$200.00.

Section 5. Capital Improvements. In the event any Annual Assessment includes, or the Board levies a special assessment ("Special Assessment") in any given year to include, an amount for the purpose of defraying, in whole or in part, the cost of construction, repair or replacement of a capital improvement upon the Common Areas, including the necessary fixtures and personal property related thereto, that portion of any such Assessment, Annual or Special, relating to the capital improvement(s) must have the assent of the Members entitled to cast a majority of the votes of the Members of the Association who are voting in person or by proxy at a meeting duly called for this purpose, as provided in Section 3 of Article VII. ("Annual Assessment" and "Special Assessment" are sometimes collectively referred to herein as the "Assessments.")

Section 6. Uniform Rate of Assessment. Subject to the provisions of Section 11 of this Article VI, both Annual and Special Assessments must be fixed at a uniform rate for all Lots.

Section 7. Date of Commencement of Assessments: Due Dates.

(a) The initial Annual Assessment provided for in Section 4 of this Article VI shall commence on the date fixed by the Board to be the date of commencement, and shall be payable annually, in advance, on each Annual Payment Date thereafter; provided, however, that if the date of commencement falls on other than the first day of a month, the Assessment for such month shall be prorated by the number of days remaining in the month.

(b) The due date or dates of any Special Assessment under Section 5 hereof shall be fixed in the Board resolution authorizing such Assessment.

Section 8. Duties of the Board with Respect to Assessments.

(a) The Board shall fix the date of commencement and the amount of the Assessment against each Lot for each Assessment period at least thirty (30) days in advance of such date or period and shall, at that time, prepare a roster of the Lots and Assessments applicable thereto which shall be kept in the office of the Association and shall be open to inspection by any Owner.

(b) Written notice of the Assessment shall thereupon be delivered or mailed to every Owner subject thereto.

(c) The Board shall upon demand at any time furnish to any Owner liable for said Assessment a certificate in writing signed by an officer of the Association, setting forth whether said Assessment had been paid. Such certificate shall be conclusive evidence of payment of any Assessment therein stated to have been paid. A reasonable charge may be made by the Board of the issuance of such certificates.

Section 9. Effect of Non-Payment of Assessment: The Personal Obligation of the Owner; the Lien; Remedies of the Association.

(a) If any Assessment or any part thereof is not paid on the date(s) when due (being the dates specified in Section 7 of this Article VI), then the unpaid amount of such Assessment shall

become delinquent and shall, together with such interest thereon and cost of collection thereof as hereinafter provided, thereupon become a continuing lien on the Lot of the non-paying Owner which shall bind such Lot in the hands of the then Owner, his heirs, executors, devisees, personal representatives and assigns. The personal obligation of the then Owner to pay such Assessment, however, shall remain his personal obligation and shall not pass to his successors in title unless expressly assumed by them. The lien for unpaid Assessments shall be unaffected by any sale or assignment of a Lot and shall continue in full force and effect. No Owner may waive or otherwise escape liability for the Assessments provided herein by non-use of the Common Areas or abandonment of his Lot. In addition to the foregoing, any Member whose Assessments, Annual or Special, become delinquent hereunder shall have his, her or their privilege of the use and enjoyment of the Pool suspended until such time as the obligations hereunder are satisfied.

(b) If any Assessment or any part thereof is not paid within thirty (30) days after the delinquency date, the unpaid amount of such Assessment shall bear interest from the date of delinquency at eighteen percent (18%) per annum, and the Association may, at its election, bring an action at law against the Owner personally obligated to pay the same in order to enforce payment and/or to foreclose the lien against the property subject thereto, and there shall be added to the amount of such Assessment the costs of preparing and filing the complaint (including reasonable attorneys' fees) in such action and, in the event a judgment is obtained, such judgment shall include interest on the Assessment as above provided and a reasonable attorneys' fee to be fixed by the court, together with the costs of the action.

Section 10. Subordination of the Lien to Mortgages. The lien of the Assessments provided for herein shall be subordinate and inferior to the lien of any mortgage or deed of trust now or hereafter placed upon the Lots subject to assessment; provided, however, that such subordination shall apply only to the Assessments which have become due and payable prior to the sale, whether public or private, or such property pursuant to the terms and conditions of any such deed of trust. Such sale shall not relieve such Lots from liability for the amount of any Assessments thereafter becoming due nor from the lien of any such subsequent Assessment.

Section 11. Exempt Property. The following property subject to this Declaration shall be exempted from the Annual and Special Assessments, charges and liens created herein:

(a) All properties dedicated and accepted by the local public authority and devoted to public use.

(b) All Common Areas as defined in Article I hereof.

(c) All areas reserved by the Declarant on the recorded Plat of the Properties.

(d) All Lots owned by Declarant.

(e) All Lots owned by a residential contractor licensed in DeKalb County, Indiana as such and who holds title to a Lot for the purpose of constructing a Dwelling Unit on said Lot but not residing thereon.

Section 12. Administrative Fees. The Association may assess against a Lot a reasonable charge for providing letters notifying Owners of any violations or breaches of the Restrictions. The Association may incur administrative time and expense in receiving and reviewing complaints of any violations of these Restrictions, onsite inspections, consultations, mailing and other time, costs and expenses. The fee shall be charged for the first notice of violation, however, the Association may charge an Owner for any subsequent letter for the same of substantially the same violation of these Restrictions. The Board of Directors of the Association may adjust the administrative fees from time to time, but such administrative fee shall not be less than \$75.00 per letter. The second and any subsequent letter shall not be sent more often than every twenty (20) days. The administrative fees contained within this Section 10 shall be collected in accordance with Section 9 above.

ARTICLE VII

MEMBERSHIP AND VOTING RIGHTS IN THE ASSOCIATION

Section 1. Membership. Every Owner of a Lot shall automatically be a Member of the Association.

Section 2. Classes of Membership. The Association shall have two classes of voting membership:

CLASS A. Class A Members shall be all Members with the exception of Declarant. Class A Members shall be entitled to one vote for each Lot in which they hold the interest required for membership. When more than one person holds such interest or interest in any Lot, all such person shall be Members, and the vote for such Lot shall be exercised as they, among themselves, determine, but in no event shall more than one vote be cast with respect to any such Lot.

CLASS B. The Class B Member(s) shall be the Declarant, and such Member(s) shall be entitled to seventy-five (75) votes for each Lot owned. The Class B membership of Declarant shall cease and be converted to Class A membership on the occurrence of either of the following events, whichever occurs first:

- (a) When title to all Lots in Fawn Creek Estates, Section III have been conveyed; or
- (b) On December 31, 2034.

Section 3. Quorum and Notice Requirements.

(a) Subject to the provision of paragraph (c) of this Section, any action authorized by Section 3(f) of Article V shall require the assent of the Members entitled to cast two-thirds (2/3) of the votes of the Members of the Association who are voting in person or by proxy at a meeting duly called for that purpose, written notice of which shall be given to all Members at least ten (10) days in advance (unless otherwise provided in the Bylaws of the Association) and shall set forth the purpose of such meeting.

(b) The quorum required for any action referred to in Section 3(f) of Article V or Section 5 of Article VI shall be as follows: At the first meeting called, as hereinafter provided, the presence at the meeting of Members, or of proxies, entitled to cast sixty percent (60%) of all of the votes of each class of membership shall constitute a quorum. If the required quorum is not present at the meeting, an additional meeting may be called, subject to the notice requirement hereinafter set forth, and the required quorum at such second meeting shall be one-half (1/2) of the required quorum at the preceding meeting; provided, however, that no such second meeting shall be held more than sixty (60) days following the first meeting.

(c) Any provision of this Declaration to the contrary notwithstanding any action described in Section 3(f) of Article V may be taken with the assent given in writing and signed by the Members entitled to cast two-thirds (2/3) of the votes of the Association.

(d) Except as hereinabove specifically set forth in Article IX, Section 3, paragraphs (a), (b) and (c), notice, voting and quorum requirements for all action to be taken by the Association shall be as set forth in its Articles of Incorporation and Bylaws, as same may be amended from time to time.

Each Owner shall, at his sole cost and expense, maintain and repair his Lot and the improvements situated thereon, keeping the same in good condition and repair. In the event that any Owner shall fail to maintain and repair his Lot and the improvements thereon as required hereunder, the Association, in addition to all other remedies available to it hereunder or by law, and without waiving any of said alternative remedies, shall have the right, through its agents and employees, to enter upon said Lot and to repair, maintain and restore the Lot and exterior of the buildings and any other improvements erected thereon; and each Owner (by acceptance of a deed for his Lot) hereby covenants and agrees to repay to the Association the cost thereof immediately upon demand, and the failure of any such Owner to pay the same shall carry with it the same consequences as the failure to pay any assessment hereunder when due.

ARTICLE IX

In no event, however, shall such Supplemental Declaration modify or add to the covenants established by this Declaration for the Existing Property.
