Any garage and/or servants quarters erected more than one hundred twenty (120) days prior to the connection of the main dwelling or residence shall be considered temporary structures. In no event shall any residential dwelling upon any Lot be occupied until it has been fully completed in accordance with plans approved the Architectural Control Committee. No Owner shall construct any fence to contain said Owner's entire Lot.

Section 20. Storage Sheds. No storage sheds, outbuildings, or other similar structures shall be allowed on any Lot, except for buildings required to house mechanical equipment

servicing in-ground pools erected under Section 22 below. Any such building allowed hereunder shall meet all applicable requirements of the Allen County Zoning Ordinance.

No in-ground pool shall be located on any Lot nearer than a distance of six (6) feet from the rear or side property line of said Lot. In addition to the foregoing, all in-ground pools shall meet all applicable requirements of the Allen County Zoning Ordinance.

Section 23.1. New Construction. Notwithstanding any provisions to the contrary set forth in Section 23, until such time as Declarant has conveyed title to all Lots and is no longer a Member of the Association, the following shall apply:

(a) No Owner shall construct, or cause the construction of, a single-family residence on any Lot prior to obtaining Declarant's written approval of the licensed residential contractor the Owner intends to engage to construct said residence; and

(b) All plans and specifications for the construction of a new single-family residence shall be submitted to and approved or disapproved by Declarant pursuant to Section 23.2 below.

Section 23.2. Other Construction. No building, outbuilding, fence, wall, swimming pool or spa, or other structure shall be commenced, erected or maintained upon any Lot, nor shall any exterior addition to or change or alteration therein be made until two (2) sets of plans and specifications showing the nature, kind, shape, height, materials and location of the same shall have been submitted to and approved in writing as to harmony of external design and location in relation to surrounding structures and topography by Declarant. Declarant's approval or disapproval as required in these Covenants shall be in writing. No structure of any kind which does not comply fully with such approved plans shall be erected, constructed, placed or maintained upon any Lot, and no changes or deviations in or from such plans as approved shall be made without Declarant's prior written consent. In the event Declarant fails to approve or disapprove such improvements or other matters within ninety (90) days after said plans and specifications have been submitted to it, or in any event, if no suit to enjoin the erection, addition, alteration, or change has been commenced prior to the completion thereof, written approval will not be required, and this Section 23.2 will be deemed to have been duly complied with by the Lot Owner. Neither Declarant nor any heirs, personal representatives, successors or assigns thereof, shall be liable to anyone by reason of any mistake in judgment, negligence, or

nonfeasance arising out of or relating to the approval or disapproval or failure to approve any plans so submitted, nor shall they, or any of them, be responsible or liable for any structural defects in such plans or in any building or structure erected according to such plans or any drainage problems resulting therefrom. Every person and entity who submits plans to Declarant agrees, by submission of such plans, that he or it will not bring any action or suit against Declarant to recover any damages or to require Declarant to take, or refrain from taking, any action whatever in regard to such plans or in regard to any building or structure erected in accordance therewith. Neither the submission of any complete sets of plans to Declarant's office for review thereby, nor the approval thereof by Declarant, shall be deemed to guarantee or require the actual construction of the building or structure therein described, and no adjacent Lot Owner may claim any reliance upon the submission and/or approval of any such plans or the buildings or structures described therein.

Once Declarant, or the Board, as appropriate, has appointed the Committee, as defined below, any plans and specifications for construction not considered new construction of a Dwelling Unit shall be submitted to and approved or disapproved by the Committee pursuant to the requirements set forth in this Section 23.2.

Section 23.3. Appointment of Committee. Declarant (or the Board following the formation by Declarant of the Association) may designate representatives to serve on the Architectural Control Committee (the "Committee"). The Committee shall consist of at least three (3) and no more than five (5) members appointed by Declarant or the Board, if applicable. Once the Committee is established by Declarant or the Board, the Committee shall assume the rights and obligations of Declarant under Section 23.2 above.

Section 24. Flood Protection Grades. In order to minimize potential damages from surface water, flood protection grades are hereby established as set forth below. All dwellings shall be constructed at or above the minimum flood protection grades; such grades shall be the minimum elevation of a first floor or the minimum sill elevation of any opening below the first floor of any dwelling. Section 26. Landscaping and Lawn.

(a) All Owners shall landscape, or cause to be landscaped, their Lot, at a minimum, in a manner so as to maintain and remain consistent with the aesthetic integrity of the landscaping contained on the Properties, as defined by Declarant. Said landscaping shall be completed, or caused to be completed, by each Owner within one (1) year after the date of said Owner's certificate of occupancy, as issued by the Allen County Building Department, authorizing the Owner's occupancy of the house. The foregoing landscaping requirements shall not apply to Declarant nor to any Common Area or Lot owned by Declarant.

(b) All Owners, as soon as reasonably possible upon completion of construction of their house, shall properly grass seed or sod their Lot and maintain their yard in a condition consistent with the aesthetic integrity of the yards contained on other Lots and the Properties, as defined by Declarant.

Section 27. Individual Water and Sewage Systems Servicing Dwelling Unit. Except for any Lot or Lots owned by Declarant, or for purposes of servicing a model or speculative home with the consent of Declarant, no individual sewage disposal system shall be installed, maintained or used to service a Dwelling Unit on any Lots in this Subdivision. In addition, except for any Lot or Lots owned by Declarant, any Common Area, and as provided in Section 28, no individual water supply system shall be installed, maintained or used on any Lots in this Subdivision.

Section 30. Animals. No animals, livestock or poultry of any kind shall be raised, bred or kept on any Lot, except that dogs, cats or other household pets may be kept, provided that they are not kept, bred or maintained for any commercial purpose. Any such pet kept by an Owner hereunder shall be kept primarily indoors and within the confines of the Dwelling Unit a majority of the time. Further, should any pet kept hereunder cross the boundary lines of its Owner's Lot for any reason, said Owner shall keep the pet on a leash, or like harness, maintain control over said pet at all times, and immediately tend to the cleanup of any bodily or other waste left by said pet outside the boundary of said Owner's Lot.

Section 31. Utility Easements. Except for easements and Declarant's rights relating thereto as set forth in Article IV, Section 1 hereof, no Owner shall erect on a Lot, or grant to any entity the right, license or privilege to erect or use, or permit the use of, overhead wires, poles, or overhead facilities of any kind for electrical, telephone, or television service (except such poles and overhead facilities that may be required at those places where distribution facilities enter and leave the subdivision). Nothing in these Covenants shall be construed to prohibit street lighting or ornamental yard lighting serviced by underground wires or cables. Electrical service entrance facilities installed for any residence or other structure on a Lot connecting it to the electrical distribution system of any electric public utility shall be provided by the Owner of the Lot who constructs the residence or structure, and shall carry not less than three (3) wires and have a capacity of not less than two hundred twenty (220) amperes. Full ingress and egress shall be had by Declarant at all times over the Properties for the installation, operations, maintenance, repair or removal of any utility together with the right to remove any obstruction that may be placed in such easement that would constitute interference with the use of such easements, or with the use, maintenance, operation or installation of such utility. The grade of the land in any such easement shall not be changed or altered by any Owner of any Lot, after the said grade has been established. All utility easements as dedicated on the Plat shall be left free from all permanent structures and the removal of any obstructions, whether temporary or permanent, shall be subject to the paramount right of the utility and/or sewer installation. Declarant shall have the right to assign and transfer the easements and rights herein reserved to or for the benefit of any public or quasipublic utility.

Section 2. Surface Drainage Easements. Surface drainage easements as shown in the Plat are intended for either periodic or occasional use as conductors for the flow or surface shall be constructed and maintained so as to achieve this intention. Section 3. Surface Water. No rain or storm water runoff shall at any time be discharged or permitted to flow into the sanitary sewage system, which shall be a separate sewerage system from the storm water and surface water runoff outlets. No individual water supply system or individual sewage disposal system shall be installed, maintained or used on any Lot except that any individual water system may be used for the purpose of a swimming pool or lawn irrigation.

ARTICLE V

PROPERTY RIGHTS IN THE COMMON AREAS

- (ii) Each tenant and contract purchaser or each Member (and each individual in the respective families of each such tenant and contract purchaser residing with each of them) who resides on the Lot owned by such member; provided, that such tenant or contract purchaser, as the case may be, shall have a right and easements of enjoyment in and to the Common Areas in lieu of such Member of his family.

Section 2. Title to the Common Areas. Declarant may retain the legal title to the Common Areas until such time as it has completed such improvements thereon as it may elect to make and until such time as, in the opinion of Declarant, the Association is able to maintain the same but, notwithstanding any provision herein, Declarant hereby covenants, for itself, its successors and assigns, that it shall convey the Common Areas to the Association not sooner than January 1, 2015, except for and subject to the portion of the Common Areas containing the Pool and Parking Lot, should Declarant construct the same, that Declarant may convey and the Association accept at any point prior thereto. At any time thereafter so long as Class B Members of the Association exist, Declarant may convey and transfer to the Association such additional real and/or personal property as Declarant, in its sole discretion, deems appropriate, and the Association shall accept such transfer and hold such property as part of the Common Areas.

Section 3. Extent of Members' Easements. The rights and easements of enjoyment created hereby shall be subject to the following:

- (a) The right of the Association to prescribe regulations governing the use, operation and maintenance of the Common Areas (including limiting the number of guests of members);
- (b) The right of Declarant, and of the Association in accordance with its Articles and Bylaws, to borrow money for the purpose of improving the Common Areas and facilities and in aid thereof to mortgage the Common Areas, and the rights of such mortgagee in the Common Areas shall be subordinate to the rights of the homeowners hereunder;
- (c) The right of the Association to take such steps as are reasonably necessary to protect the Common Areas against foreclosure;

(d) The right of the Association, as provided in its Articles and Bylaws, to suspend the voting rights of any member and to suspend the right of any individual to use any of the Common Areas and/or common facilities for any period during which any assessment against a Lot resided upon by such individual remains unpaid, and for any period not to exceed thirty (30) days for an infraction or its rules and regulations;

(e) The right of the Association to charge reasonable admission and other fees for the use of recreational facilities of the Common Areas; and

(f) Subject to approval by the affirmative vote of the Association's Members, as provided in Section 3 of Article VII, the right of the Association to dedicate or transfer all or any part of the Common Areas to any public agency, authority, or utility for such purposes and upon such conditions as may be agreed to by the Members.

Section 4. Title to and Maintenance of the Common Areas; Cooperation with The Villas of Grey Oaks Community Association, Inc. Upon receipt of title to the Common Areas from Declarant hereunder, the Association shall become and remain responsible for the regular and ongoing care, preservation, supervision, improvements and maintenance of the Common Areas, unless and until the Association shall dedicate or transfer all or any part of the Common Areas pursuant to Section 2 of this Article V.

In addition to the maintenance obligations of the Association set forth in this Section 4, the Association shall reimburse The Villas of Grey Oaks Community Association, Inc. ("The Villas of Grey Oaks Community Association") an amount equal to 50% of the costs incurred by The Villas of Grey Oaks Community Association in connection with the maintenance and repair of Common Area Block "B" that lies adjacent to, is shared by, and benefits the Association. Said reimbursement shall be due and owing immediately upon receipt by the Association of an invoice for said costs from The Villas of Grey Oaks Community Association.

ARTICLE VI

COVENANT FOR MAINTENANCE ASSESSMENTS

Section 1. Creation of the Lien and Personal Obligation for Assessments. Each Owner of a Lot (by acceptance of a deed therefor, whether or not it shall be so expressed in any such deed or other conveyance), for each Lot owned by any such Owner, hereby covenants and agrees and shall be deemed to covenant and agree to pay to the Association (or to a mortgage company or other collection agency designated by the Association) Annual Assessments or charges (the "Annual Assessments"), to be paid on June 1 of each year (hereinafter called "Annual Payment Dates") or in such other installments as the Board may elect. The Assessments, together with such interest thereon and costs of collection thereof as hereinafter provided, shall be a charge on the land and shall be a continuing lien upon each Lot against which each such Assessment is

made. The Assessments, together with such interest thereon and costs of collection thereof as hereinafter provided, shall also be the continuing personal obligation of the person who was the Owner of such Lot at the time when the Assessments became due.

Section 2. Purpose of Annual Assessments. The Annual Assessments levied by the Association shall be used exclusively for (i) the care, preservation, supervision, improvement and maintenance of the Common Areas and of the improvements situated thereon including, but not limited to, a community pool for use by all Members ("Pool") and the parking lot servicing the Pool ("Parking Lot") in the event Declarant constructs the Pool and Parking Lot; (ii) the payment of taxes on and insurance in connection with the Common Areas and the repair, replacement and making of additions thereto; (iii) paying the cost of labor, equipment (including the expense of leasing any equipment) and materials required for, and management, supervision, maintenance and repair of, the Common Areas, including without limitation, the storm water detention basin and control structures, and of any existing and future recreational lakes together with any outlet and water level control structures and of the park area and improvements situated thereon, (iv) carrying out the duties of the Board as set forth in Article VIII hereafter; and (v) carrying out the purposes of the Association as stated in its Articles of Incorporation.

Section 3. Improvement and Maintenance of the Common Areas Prior to Conveyance to the Association. Upon conveyance of any portion of the Common Areas to the Association, the Association shall have the responsibility and duty of improving and maintaining that portion of the Common Areas conveyed by Declarant. However, Declarant shall have the responsibility and duty of improving and maintaining all Common Areas prior to conveyance thereof to the Association, including, without limitation, the payment of taxes on and insurance in connection with the Common Areas (or the portion thereof that has not been conveyed to the Association) and the costs of repairs, replacements and additions thereto, and for paying the costs of labor, equipment (including the expense of leasing any equipment) and materials required for, and management and supervision of, the Common Areas. In this regard, and during such period, all Assessments, both Annual and Special, collected by the Association shall be forthwith paid by the Association to Declarant, to the extent that such Assessments are required by Declarant to improve and maintain the Common Areas as set forth in this paragraph. The Association shall rely upon a certificate executed and delivered by Declarant with respect to the amount required by Declarant to improve and maintain the Common Areas hereunder. Any sums required by Declarant to improve and maintain the Common Areas, in excess of the Assessments collected by the Association, shall be borne and paid exclusively by Declarant.

Section 4. Basis and Amount of Annual Assessments.

(a) Until the year beginning January 1, 2015, there shall be no Annual Assessment under this Article VI.

(b) Commencing with the year beginning January 1, 2015 and each year thereafter, the Board, at its annual meeting and effective for the year commencing with the next January 1, and each January 1 thereafter, shall set the amount of the Annual Assessment for the following year for each Lot, taking into consideration the current maintenance costs and the future needs of the Association, provided that the Annual Assessment shall never be less than \$200.00.

Section 5. Capital Improvements. In the event any Annual Assessment includes, or the Board levies a special assessment ("Special Assessment") in any given year to include, an amount for the purpose of defraying, in whole or in part, the cost of construction, repair or replacement of a capital improvement upon the Common Areas, including the necessary fixtures and personal property related thereto, that portion of any such Assessment, Annual or Special, relating to the capital improvement(s) must have the assent of the Members entitled to cast a majority of the votes of the Members of the Association who are voting in person or by proxy at a meeting duly called for this purpose, as provided in Section 3 of Article VII. ("Annual Assessment" and "Special Assessment" are sometimes collectively referred to herein as the "Assessments.")

Section 6. Uniform Rate of Assessment. Subject to the provisions of Section 11 of this Article VI, both Annual and Special Assessments must be fixed at a uniform rate for all Lots.

Section 7. Date of Commencement of Assessments: Due Dates.

(a) The initial Annual Assessment provided for in Section 4 of this Article VI shall commence on the date fixed by the Board to be the date of commencement, and shall be payable annually, in advance, on each Annual Payment Date thereafter; provided, however, that if the date of commencement falls on other than the first day of a month, the Assessment for such month shall be prorated by the number of days remaining in the month.

(b) The due date or dates of any Special Assessment under Section 5 hereof shall be fixed in the Board resolution authorizing such Assessment.

Section 8. Duties of the Board with Respect to Assessments.

(a) The Board shall fix the date of commencement and the amount of the Assessment against each Lot for each Assessment period at least thirty (30) days in advance of such date or period and shall, at that time, prepare a roster of the Lots and Assessments applicable thereto which shall be kept in the office of the Association and shall be open to inspection by any Owner.

(b) Written notice of the Assessment shall thereupon be delivered or mailed to every Owner subject thereto.

(c) The Board shall upon demand at any time furnish to any Owner liable for said Assessment a certificate in writing signed by an officer of the Association, setting forth whether said Assessment had been paid. Such certificate shall be conclusive evidence of payment of any Assessment therein stated to have been paid. A reasonable charge may be made by the Board of the issuance of such certificates.

Section 9. Effect of Non-Payment of Assessment: The Personal Obligation of the Owner; the Lien; Remedies of the Association.

(a) If any Assessment or any part thereof is not paid on the date(s) when due (being the dates specified in Section 7 of this Article VI), then the unpaid amount of such Assessment shall become delinquent and shall, together with such interest thereon and cost of collection thereof as hereinafter provided, thereupon become a continuing lien on the Lot of the non-paying Owner which shall bind such Lot in the hands of the then Owner, his heirs, executors, devisees, personal representatives and assigns. The personal obligation of the then Owner to pay such Assessment, however, shall remain his personal obligation and shall not pass to his successors in title unless expressly assumed by them. The lien for unpaid Assessments shall be unaffected by any sale or assignment of a Lot and shall continue in full force and effect. No Owner may waive or otherwise escape liability for the Assessments provided herein by non-use of the Common Areas or abandonment of his Lot. In addition to the foregoing, any Member whose Assessments, Annual or Special, become delinquent hereunder shall have his, her or their privilege of the use and enjoyment of the Pool suspended until such time as the obligations hereunder are satisfied.

(b) If any Assessment or any part thereof is not paid within thirty (30) days after the delinquency date, the unpaid amount of such Assessment shall bear interest from the date of delinquency at the maximum legal rate of interest, and the Association may, at its election, bring an action at law against the Owner personally obligated to pay the same in order to enforce payment and/or to foreclose the lien against the property subject thereto, and there shall be added to the amount of such Assessment the costs of preparing and filing the complaint (including reasonable attorneys' fees) in such action and, in the event a judgment is obtained, such judgment shall include interest on the Assessment as above provided and a reasonable attorneys' fee to be fixed by the court, together with the costs of the action.

Section 10. Subordination of the Lien to Mortgages. The lien of the Assessments provided for herein shall be subordinate and inferior to the lien of any mortgage or deed of trust now or hereafter placed upon the Lots subject to assessment; provided, however, that such subordination shall apply only to the Assessments which have become due and payable prior to the sale, whether public or private, or such property pursuant to the terms and conditions of any such deed of trust. Such sale shall not relieve such Lots from liability for the amount of any Assessments thereafter becoming due nor from the lien of any such subsequent Assessment.

Section 11. Exempt Property. The following property subject to this Declaration shall be exempted from the Annual and Special Assessments, charges and liens created herein:

- (a) All properties dedicated and accepted by the local public authority and devoted to public use.
- (b) All Common Areas as defined in Article I hereof.
- (c) All areas reserved by Declarant on the recorded Plat of the Properties.

(d) All Lots owned by Declarant.

(e) All Lots owned by a residential contractor licensed in Allen County, Indiana as such and who holds title to a Lot for the purpose of constructing a Dwelling Unit on said Lot but not residing thereon.

ARTICLE VII

(b) The quorum required for any action referred to in Section 3(f) of Article V or Section 5 of Article VI shall be as follows: At the first meeting called, as hereinafter provided, the presence at the meeting of Members, or of proxies, entitled to cast sixty percent (60%) of all of the votes of each class of membership shall constitute a quorum. If the required quorum is not present at the meeting, an additional meeting may be called, subject to the notice requirement.

hereinafter set forth, and the required quorum at such second meeting shall be one-half (1/2) of the required quorum at the preceding meeting; provided, however, that no such second meeting shall be held more than sixty (60) days following the first meeting.

(c) Any provision of this Declaration to the contrary notwithstanding any action described in Section 3(f) of Article V may be taken with the assent given in writing and signed by the Members entitled to cast two-thirds (2/3) of the votes of the Association.

(d) Except as hereinabove specifically set forth in Article IX, Section 3, paragraphs (a), (b) and (c), notice, voting and quorum requirements for all action to be taken by the Association shall be as set forth in its Articles of Incorporation and Bylaws, as same may be amended from time to time.

ARTICLE IX
