DEDICATION, PROTECTIVE RESTRICTIONS, COVENANTS,  
LIMITATIONS, EASEMENTS AND APPROVALS APPENDED TO  
AND MADE A PART OF THE DEDICATION AND PLAT OF  
NORTH SHORES, SECTION IV  
A SUBDIVISION IN ABOITE TOWNSHIP, ALLEN COUNTY, INDIANA

The Aboite Corporation, an Indiana corporation, by Paul W. Seitz, its President, and Joseph L. Zehr, its Secretary, hereby declares that it is the Owner of the real estate shown and described in this plat and does hereby lay off, plat and subdivide said real estate in accordance with the information shown on said plat, being the certified plat appended hereto and incorporated herein. The subdivision shall be known and designated as NORTH SHORES, SECTION IV, a Subdivision in Aboite Township, Allen County, Indiana.

The Tracts and lettered from C through M inclusive, and all dimensions are shown in feet and decimals of a foot on the plat. All street rights-of-way and walkway easements specifically shown or described are hereby expressly dedicated to public use for the usual and intended purposes. Utility easements are likewise reserved for their usual and intended purposes.

PREFACE

NORTH SHORES, SECTION IV, is a portion of a tract of real estate which will ultimately be subdivided into approximately 125 residential parcels, all to be included and known as NORTH SHORES by various numerical sections. Simultaneously with the recordation of the Plat of THE SHORES, SECTION I and the Protective Restrictions and Covenants relating thereto, there has been recorded Articles of Incorporation of THE SHORES COMMUNITY ASSOCIATION, INC., it being platator's intention that each owner of a Lot or Tract in THE SHORES, SECTION I and in and section of NORTH SHORES shall become a member of said Community Association and shall be bound by its Articles of Incorporation and By-Laws.

The various sections of NORTH SHORES are in turn a portion of a larger tract of real estate in Aboite Township, Allen County, Indiana, which has been given the name COVENTRY. Various tracts comprising COVENTRY shall, in addition to NORTH SHORES be platted from time to time into Subdivisions similar to NORTH SHORES and at the time of recordation of the original plats thereof, Articles of Incorporation for separate Community Associations for said Subdivisions shall likewise be recorded and the owners of lots contained therein bound by the By-Laws and provisions thereof. When all of COVENTRY shall have been subdivided for various uses, each particular Subdivision shall be governed by the rules and regulations of its own Community Association under the ultimate aegis of COVENTRY COMMUNITY ASSOCIATION, of which each Subdivision's Community Association shall be deemed a division and in which each said Subdivision's Community Association shall be represented. COVENTRY COMMUNITY ASSOCIATION shall have final authority to act with respect to specified matters associated with the efficient supervision of maintenance activities in all of COVENTRY, together with that authority conferred upon it by its By-Laws and the acts of its Board of Directors.

In addition to maintaining the Common Areas within the confines of each specifically named Subdivision, such as NORTH SHORES and all of its various sections, it shall be the obligation of the owners of lots within each such named Subdivision to make provision for the maintenance of common impoundment basins specifically located in COVENTRY. All Subdivisions, such as NORTH SHORES in its various sections, whose surface drainage waters lie within the same watershed resulting in ultimate surface drainage into the same common impoundment basin, are and shall be required to pay that portion of the cost of maintaining said common impoundment basin as is represented by that Subdivision's percentage of all of the runoff of

7

surface waters from all Subdivisions located within COVENTRY into said common impoundment basin.

Until such time as that portion of COVENTRY in which is included the watershed in which NORTH SHORES and its various sections is located has been subdivided and the various subdivided parcels sold, The Aboite Corporation, as platlor, shall bear its pro rata portion of the expense of maintenance of said common impoundment basins allocated to portions of COVENTRY unsubdivided or otherwise unsold. The obligation of The Aboite Corporation to bear such pro rata or allocated portion of said expense shall terminate upon the platting of any Subdivision of any remaining portions of COVENTRY, disposition of any such portion to a third party or July 1, 1983, whichever shall first occur.

It is the platlor's intent that all of the regulations with respect to the use and occupancy of the various portions of COVENTRY be designed to accommodate the desires of the occupants of the various portions of COVENTRY from time to time to preserve property values, and to be flexible enough to meet specific needs, including the need to raise funds. Accordingly, this Preface and its statements shall be deemed a covenant of equal force and effect as all others herein set forth.

(a) The right of the Association to charge reasonable admission and other fees for the use of any recreational facility situated upon the Common Areas;

(b) The right of the Association to suspend the voting rights and right to use of the recreational facilities by an Owner for any period during which any assessment against his Tract remains unpaid; and for a period not to exceed 30 days for any infraction of its published rules and regulations after hearing by the Board of Directors of the Association;

(c) The right of the Association to dedicate or transfer all or any part of the Common Areas to any public agency, authority, or utility for such purposes and subject to such conditions as may be agreed to by the members. No such dedication or transfer shall be effective unless an instrument signed by two-thirds (2/3) of each class of members agreeing to such dedication or transfer has been recorded.

Section 2. Delegation of Use. Any Owner may delegate, in accordance with the By-Laws, his right of enjoyment to the Common Areas and facilities to the members of his family, his tenants, his guests or invitees or contract purchasers who reside on the property.

#### ARTICLE III MEMBERSHIP AND VOTING RIGHTS

Section 1. Every Owner of a Tract which is subject to assessment shall be a member of the Association. Membership shall be appurtenant to and may not be separated from ownership of any Tract which is subject to assessment.

Section 2. The Association shall have two classes of voting membership:

Class A. Class A members shall be all Owners exclusive of The Aboite Corporation. Owners shall be entitled to one (1) vote for each Tract owned.

Class B. Class B member(s) shall be The Aboite Corporation which shall be entitled to 320 votes less that number of votes which Class A members are entitled to exercise.

Each Owner, exclusive of The Aboite Corporation (except as hereinafter provided), hereby covenants, and each Owner of any Tract by acceptance of a deed therefor, whether or not it shall be so expressed in such deed, is deemed to covenant and agree to pay to the Association: (1) annual assessments or charges, and (2) special assessments for capital improvements, such assessments to be established and collected as hereinafter provided. The annual and special assessments, together with interest, costs, and reasonable attorney's fees, shall be a charge on the land and shall be a continuing lien upon the property against which each such assessment is made. Each such assessment, together with interest, costs, and reasonable attorney's fees, shall also be the personal obligation of the person who was the Owner of such property at the time when the assessment fell due. The personal obligation for delinquent assessments shall not pass to his successors in title unless expressly assumed by them.

7

7

2

The Aboite Corporation shall possess the continuing right and option to assist and direct in the maintenance and beautification of the lake, a portion of which abuts NORTH SHORES in consideration for its contributing up to twenty-five percent (25%) of the total annual cost of said maintenance and beautification. At such time as The Aboite Corporation chooses, it may notify THE SHORES COMMUNITY ASSOCIATION, INC. of its election to terminate any such annual contribution at which such time said corporation's right to direct such activities shall cease.

**Section 2. Purpose of Assessments.** The assessments levied by the Association shall be used exclusively to promote the recreation, health, and welfare of the residents in NORTH SHORES and the improvement and maintenance of the Common Areas and of the facilities thereon. In addition, assessments shall be levied to provide for NORTH SHORES' proportionate burden of the maintenance of the Common Impoundment Basin into which its surface waters drain.

**Section 3. Maximum Annual Assessments.** Until January 1 of the year immediately following the conveyance of the first Tract to an Owner, the maximum annual assessment shall be Seventy-five Dollars (\$75.00) per dwelling unit on any Tract.

(a) From and after January 1 of the year immediately following the conveyance of the first Tract to an Owner, the maximum annual assessment may be increased each year not more than 3% above the maximum assessment for the previous year without a vote of the membership.

(b) From and after January 1 of the year immediately following the conveyance of the first Tract to an Owner, the maximum annual assessment may be increased above 3% by the vote or written assent of 51% of each class of members.

(c) The Board of Directors may fix the annual assessment at an amount not in excess of the maximum.

**Section 4. Special Assessments for Capital Improvements.** In addition to the annual assessments authorized above, the Association may levy, in any assessment year, a special assessment applicable to that year for the purpose of defraying, in whole or in part, the cost of any new construction or repair or replacement thereof of a capital improvement upon the Common Areas, including fixtures and personal improvement upon the Common Areas, including fixtures and personal property related thereto, provided that any such assessment shall have the vote or written assent of 75% of each class of members, and provided, further, that no such special assessments for any purpose shall be made if the taking of such assessment shall in any way jeopardize or affect the Association's ability to improve and maintain its Common Areas or to pay its pro rata share of the cost of maintaining the Common Impoundment Basin.

**Section 5. Notice and Quorum For Any Action Authorized Under Sections 3 and 4.** Any action authorized under Sections 3 or 4 shall be taken at a meeting called for that purpose, written notice of which shall be sent to all members not less than 30 days nor more than 60 days in advance of the meeting. If the proposed action is favored by a majority of the votes cast at such meeting, but such vote is less than the requisite 51% of each class of members, members who were present in person or by proxy may give their assent in writing, provided the same is obtained by the appropriate officers of the Association not later than 30 days from the date of such meeting.

**Section 6. Uniform Rate of Assessments.** Both annual and special assessments must be fixed at a uniform rate for all Tracts and may be collected on a monthly or yearly basis.

**Section 7. Date of Commencement of Annual Assessments: Due Dates.** The annual assessments provided for herein shall commence as to all Tracts on the first day of the month following the conveyance of the Common Areas. The first annual assessment shall be adjusted

according to the number of months remaining in the calendar year. The Board of Directors shall fix the amount of the annual assessment against each Lot at least thirty (30) days in advance of each annual assessment period. Written notice of the annual assessment shall be sent to every Owner subject thereto. The due dates shall be established by the Board of Directors. The Association shall, upon demand, and for a reasonable charge, furnish a certificate signed by an officer of the Association setting forth whether the assessments on a specified Tract have been paid.

**Section 8. Effect of Nonpayment of Assessments. Remedies of the Association.** Any assessment not paid within thirty (30) days after the due date shall bear interest from the due date at the rate of 8% per annum. The Association may bring an action at law against the Owner personally obligated to pay the same, or foreclose the lien against the property. No Owner may waive or otherwise escape liability for the assessments provided for herein by nonuse of the Common Areas or abandonment of his Tract.

**Section 9. Subordination of the Lien to Mortgages.** The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage. Sale or transfer of any Tract shall not affect the assessment lien. However, the sale or transfer of any Tract pursuant to mortgage foreclosure or any proceeding in lieu thereof, shall extinguish the lien of such assessments as to payments which became due prior to such sale or transfer. No sale or transfer shall relieve such Tract from liability for any assessments thereafter becoming due or from the lien thereof.

#### ARTICLE V COVENTRY COMMUNITY ASSOCIATION

**Section 1. Representation.** At such time as COVENTRY COMMUNITY ASSOCIATION, INC. has been issued its Certificate of Incorporation and upon notification thereof, the Board of Directors of THE SHORES COMMUNITY ASSOCIATION, INC., shall by majority vote at a duly called or special meeting thereof at which a quorum is present, appoint three (3) of its members to serve on the Board of Directors of COVENTRY COMMUNITY ASSOCIATION, INC.

**Section 2. Final Authority.** The Board of Directors of THE SHORES COMMUNITY ASSOCIATION, INC. shall, by appropriately enacted By-Laws, acknowledge that COVENTRY COMMUNITY ASSOCIATION, INC. shall have final authority with respect to all matters involving the maintenance and repair of the Common Impoundment Basin into which surface waters from NORTH SHORES and its various Sections drain together with the right to levy special assessments therefor.

#### ARTICLE VI ARCHITECTURAL CONTROL

No building, fence, wall or other structure shall be commenced, erected or maintained upon any Tract, nor shall any exterior addition to or change or alteration therein be made until the plans and specifications showing the nature, kind, shape, height, materials, and location of the same shall have been submitted to and approved in writing as to harmony of external design and location in relation to surrounding structures and topography by the Board of Directors of the Association, or by the Architectural Control Committee, such Committee to be composed of three members, the first Committee members to be: Joseph L. Zehr, Orrin R. Sessions and Paul W. Seitz. A majority of the Committee may designate a representative to act for it. In the event of death or resignation of any member of the Committee, the remaining members shall have full authority to designate a successor. In the said Board, or the Architectural Control Committee, fails to approve or disapprove such design and location within thirty (30) days after said plans and specifications have been submitted to it, or in any event, if no suit to enjoin the construction has been commenced prior to the completion thereof, approval will not be required and this Article will be deemed to have been fully complied with.
