Neither Declarant nor the Committee shall be entitled to compensation for, or liable for, damages, claims, or causes of action arising out of services performed pursuant to this Section.

(B) Declarant (or the Board upon the occurrence of Section 22(A)(i) and (ii)) shall designate representatives to serve on the Committee. COVENANT FOR MAINTENANCE ASSESSMENTS

Section 1. Creation of the Lien and Personal Obligation for Assessments. Each Owner of a Lot (by acceptance of a deed therefor, whether or not it shall be so expressed in any such deed or other conveyance), for each Lot owned by any such Owner, hereby covenants and agrees and shall be deemed to covenant and agree to pay to the Association, or the Declarant prior to the formation of an association (or to a mortgage company or other collection agency designated by the Association), annual assessments or charges, to be paid on June 1 of each year (hereinafter called "Annual Payment Dates") or in such other installments as the Board may elect. The annual assessments, together with such interest thereon and costs of collection thereof as hereinafter provided, shall be a charge on the land and shall be a continuing lien upon each Lot against which each such assessment is made. Each such assessment, together with such interest thereon and costs of collection thereof as hereinafter provided, shall also be the continuing personal obligation of the person who was the Owner of such Lot at the time when the assessment became due.

Section 2. Purpose of Assessments. The assessments levied by the Association or the Declarant if appropriate, shall be used exclusively for the care, preservation, supervision, improvement and maintenance of the Common Areas and of the improvements situated thereon

including, but not limited to, (i) the payment of taxes on and insurance in connection with the Common Areas and the repair, replacement and making of additions thereto; (ii) paying the cost of labor, equipment (including the expense of leasing any equipment) and materials required for, and management, supervision, maintenance and repair of, the Common Areas, including without limitation, the storm water detention basin and control structures, and of any existing and future recreational lakes together with any outlet and water level control structures and of the park area and improvements situated thereon, (iii) carrying out the duties of the Board as set forth in Article VIII hereafter; and (iv) carrying out the purposes of the Association as stated in its Articles of Incorporation.

Section 3. Improvement and Maintenance of the Common Areas Prior to Conveyance to the Association. Until such time as the Declarant has conveyed all of the Common Areas to the Association (and thereafter as additional Common Areas are added hereunder and not conveyed to the Association), the Declarant shall have, at its election, the sole responsibility and duty of improving and maintaining the Common Areas (or such portion thereof that has not been conveyed to the Association), including but not limited to, the payment of taxes on and insurance in connection with the Common Areas (or the portion thereof that has not been conveyed to the Association) and the costs of repairs, replacements and additions thereto, and for paying the costs of labor, equipment (including the expense of leasing any equipment) and materials required for, and management and supervision of, the Common Areas. In this regard, and during this period, should an association not have been formed by the Declarant, all assessments, both annual and special, shall be collected by the Declarant to the extent such assessments are required by the Declarant to improve and maintain the Common Areas as set forth in this Article. Should an association have been formed by the Declarant during or prior to this period, all assessments, both annual and special, collected by the Association shall be paid by the Association to the Declarant to the extent such assessments are required by the Declarant to improve and maintain the Common Areas as set forth in this Article. The Association shall rely upon a certificate executed and delivered by the Declarant with respect to the amount required by the Declarant to improve and maintain the Common Areas hereunder. Any sums required by the Declarant to improve and maintain the Common Areas, in excess of the assessments collected by the Association, shall be borne and paid exclusively by the Declarant.

Section 4. Basis and Amount of Annual Assessments.

(a) Until the year beginning January 1, 2012, there shall be no annual assessment under this Article VI.

(b) Commencing with the year beginning January 1, 2012 and each year thereafter, the Board, at its annual meeting, or Declarant, if appropriate, and effective for the year commencing with the next January 1, and each January 1 thereafter, shall set the amount of the annual assessment for the following year for each Lot, taking into consideration the current maintenance costs and the future needs of the Association.

Section 5. Capital Improvements. In the event any annual assessment includes an amount for the purpose of defraying, in whole or in part, the cost of a capital improvement upon the Common Areas, including the necessary fixtures and personal property related thereto, that

portion of any such assessment relating to the capital improvement(s) must have the assent of the Members entitled to cast a majority of the votes of the Members of the Association who are voting in person or by proxy at a meeting duly called for this purpose, as provided in Section 3 of Article VII.

Section 6. Uniform Rate of Assessment. Subject to the provision of Section 11 of this Article VI, both annual and special assessments must be fixed at a uniform rate for all Lots.

Section 7. Date of Commencement of Assessments: Due Dates.

(a) The initial annual assessment provided for in Section 4 of this Article VI shall commence on the date fixed by the Board to be the date of commencement, and shall be payable annually, in advance, on each Annual Payment Date thereafter; provided, however, that if the date of commencement falls on other than the first day of a month, the assessment for such month shall be prorated by the number of days remaining in the month.

(b) The due date or dates, if it is to be paid in installments, of any special assessment under Section 5 hereof shall be fixed in the resolution authorizing such assessment.

Section 8. Duties of the Board with Respect to Assessments.

(a) The Board, or the Declarant if no Board has been formed, shall fix the date of commencement and the amount of the assessment against each Lot for each assessment period at least thirty (30) days in advance of such date or period and shall, at that time, prepare a roster of the Lots and assessments applicable thereto which shall be kept in the office of the Association and shall be open to inspection by any Owner.

(b) Written notice of the assessment shall thereupon be delivered or mailed to every Owner subject thereto.

(c) The Board, or the Declarant if appropriate, shall upon demand at any time furnish to any Owner liable for said assessment a certificate in writing signed by an officer of the Association, or the Declarant if appropriate, setting forth whether said assessment had been paid. Such certificate shall be conclusive evidence of payment of any assessment therein stated to have been paid. A reasonable charge may be made by the Board, or the Declarant if appropriate, of the issuance of such certificates.

Section 9. Effect of Non-Payment of Assessment: The Personal Obligation of the Owner; the Lien; Remedies of the Association.

(a) If any assessment or any part thereof is not paid on the date(s) when due (being the dates specified in Section 7 of this Article), then the unpaid amount of such assessment shall become delinquent and shall, together with such interest thereon and cost of collection thereof as hereinafter provided, thereupon become a continuing lien on the Lot of the non-paying Owner which shall bind such Lot in the hands of the then Owner, his heirs, executors, devisees, personal representatives and assigns. The personal obligation of the then Owner to pay such assessment,

however, shall remain his personal obligation and shall not pass to his successors in title unless expressly assumed by them. Then lien for unpaid assessments shall be unaffected by any sale or assignment of a Lot and shall continue in full force and effect. No Owner may waive or otherwise escape liability for the assessments provided herein by non-use of the Common Areas or abandonment of his Lot.

(b) If any assessment or part thereof is not paid within thirty (30) days after the delinquency date, the unpaid amount of such assessment shall bear interest from the date of delinquency at the maximum legal rate of interest, and the Association may, at its election, bring an action at law against the Owner personally obligated to pay the same in order to enforce payment and/or to foreclose the lien against the property subject thereto, and there shall be added to the amount of such assessment the costs of preparing and filing the complaint (including reasonable attorneys' fees) in such action and, in the event a judgment is obtained, such judgment shall include interest on the assessment as above provided and a reasonable attorneys' fee to be fixed by the court, together with the costs of the action.

Section 10. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate and inferior to the lien of any mortgage or deed of trust now or hereafter placed upon the Lots subject to assessment; provided, however, that such subordination shall apply only to the assessments which have become due and payable prior to the sale, whether public or private, or such property pursuant to the terms and conditions of any such deed of trust. Such sale shall not relieve such Lots from liability for the amount of any assessments thereafter becoming due nor from the lien of any such subsequent assessment.

Section 11. Exempt Property. The following property subject to this Declaration shall be exempted from the assessments, charges and liens created herein:

- (a) All properties dedicated and accepted by the local public authority and devoted to public use.
- (b) All Common Areas as defined in Article I hereof.
- (c) All areas reserved by the Declarant on the recorded Plat of the Properties.
- (d) All Lots owned by Declarant, title to which shall be conveyed by Declarant, at its sole discretion.
- (e) All Lots owned by a residential contractor licensed in Allen County, Indiana as such and who holds title to a Lot(s) for the purpose of constructing a model or speculative home, or a residence, on said Lot(s) but not residing thereon.

ARTICLE VII

MEMBERSHIP AND VOTING RIGHTS IN THE ASSOCIATION

Section 1. Membership. Every Owner of a Lot shall automatically be a Member of the Association.

Section 2. Classes of Membership. The Association shall have two classes of voting membership:

CLASS A. Class A Members shall be all Members with the exception of Declarant. Class A Members shall be entitled to one vote for each Lot in which they hold the interest required for membership. When more than one person holds such interest or interest in any Lot, all such person shall be Members, and the vote for such Lot shall be exercised as they, among themselves, determine, but in no event shall more than one vote be cast with respect to any such Lot.

CLASS B. The Class B Member(s) shall be the Declarant. The Class B Member(s), at all times when the total number of Lots owned by the Class B Member(s) is greater than one-third ($1/3$) of the total number of Lots owned by Class A Members, shall be entitled to three (3) votes for each Lot in which it holds the interest required for membership. When the total number of Lots owned by the Class A members equals or exceeds three (3) times the total number of Lots owned by the Class B Member(s), the Class B Member(s) shall, during the time such equality or excess continues, be entitled to only one vote for every Lot owned by it.

Section 3. Quorum and Notice Requirements.

(a) Subject to the provision of paragraph (c) of this Section, any action authorized by Section 3(f) of Article V shall require the assent of the Members entitled to cast two-thirds ($2/3$) of the votes of the Members of the Association who are voting in person or by proxy at a meeting duly called for that purpose, written notice of which shall be given to all Members at least ten (10) days in advance (unless otherwise provided in the Bylaws of the Association) and shall set forth the purpose of such meeting.

(b) The quorum required for any action referred to in Section 3(f) of Article V or Section 5 of Article VI shall be as follows: At the first meeting called, as hereinafter provided, the presence at the meeting of Members, or of proxies, entitled to cast sixty percent (60%) of all of the votes of each class of membership shall constitute a quorum. If the required quorum is not present at the meeting, an additional meeting may be called, subject to the notice requirement hereinafter set forth, and the required quorum at such second meeting shall be one-half ($1/2$) of the required quorum at the preceding meeting; provided, however, that no such second meeting shall be held more than sixty (60) days following the first meeting.

(c) Any provision of this Declaration to the contrary notwithstanding any action described in Section 3(f) of Article V may be taken with the assent given in writing and signed by the Members entitled to cast two-thirds (2/3) of the votes of the Association.

(d) Except as hereinabove specifically set forth in Article IX, Section 3, paragraphs (a), (b) and (c), notice, voting and quorum requirements for all action to be taken by the Association shall be as set forth in its Articles of Incorporation and Bylaws, as same may be amended from time to time.

ARTICLE VIII

(n) To make available to each Owner within sixty (60) days after the end of each year an annual report and, upon the written request of one-tenth (1/10) of the Members, to have such report audited by an independent, certified public accountant, which audited report shall be made available to each Member within thirty (30) days after completion.

(o) To adjust the amount, collect, and use any insurance proceeds to repair damage or place lost property; and if proceeds are insufficient to repair damage or replace lost property, to assess the Members in proportionate amounts to cover the deficiency.

(p) To enforce the provision of this Declaration and any rules made hereunder and to enjoin and seek damages from any Owner for violation of such provisions or rules.

Section 3. Owner's Obligations to Repair. Each Owner and any builder constructing and/or owning a speculative or model home on a Lot shall, at his sole cost and expense, maintain and repair his Lot and the improvements situated thereon, keeping the same in good condition and repair. In the event that any Owner shall fail to maintain and repair his Lot and the improvements thereon as required hereunder, the Association, in addition to all other remedies available to it hereunder or by law, and without waiving any of said alternative remedies, shall have the right, through its agents and employees, to enter upon said Lot and to repair, maintain and restore the Lot and exterior of the buildings and any other improvements erected thereon; and each Owner (by acceptance of a deed for his Lot) hereby covenants and agrees to repay to the Association the cost thereof immediately upon demand, and the failure of any such Owner to pay the same shall carry with it the same consequences as the failure to pay any assessment hereunder when due.

ARTICLE IX

PROPERTY SUBJECT TO THIS DECLARATION: ADDITIONS THERETO

Section 1. Existing Property. The real property which is, and shall be, held, transferred, sold, conveyed, and occupied subject to this Declaration (hereinabove defined as the "Existing Property"), located in Allen County, State of Indiana, is described on Exhibit "A" attached hereto, and is designated Valencia, Section 2, Phase II, and more particularly described on a subdivision Plat (the "Plat" hereafter) thereof recorded as Plat Record _____, Cabinet G1, page 34, in the Office of the Recorder of Allen County, Indiana.

Section 2. Additions to Existing Property. If Declarant is the owner of any property which it desires to add to the concept of this Declaration, it may do so by filing of record a Supplementary Declaration of Covenants, Conditions and Restrictions, which shall extend the concept of the covenants, conditions and restrictions of this Declaration to such property, PROVIDED, HOWEVER, that (i) such additional property shall be contiguous (as hereafter defined) to the Properties subject to this Declaration at the time, and (ii) such Supplementary Declaration may contain such complimentary additions and modifications of the covenants, conditions and restrictions contained in this Declaration as may be necessary to reflect the different character, if any, of the added properties and as are not inconsistent with the concept of this Declaration. In no event, however, shall such Supplemental Declaration modify or add to the covenants established by this Declaration for the Existing Property. Any additions made pursuant to this Article IX, Section 2, when made, shall automatically extend the jurisdiction, functions, duties and membership of the Association to the properties added. For the purposes hereof, the term "contiguous" shall mean adjoining; provided, that any tracts or parcels of land which are separated by a street, road, sidewalk, right-of-way, easement or other thoroughfare shall be deemed to be contiguous.

ARTICLE X

Except as provided in Section 1 and Section 2 of this Article, the Covenants, Conditions and Restrictions of this Declaration may be abolished, amended and/or changed in whole or in part, only with the consent of the Members of each class of membership entitled to cast fifty-one percent (51%) of the votes of each such class of Association, evidenced by a document in writing bearing each of their signatures; provided, that (i) no amendment whatsoever shall be made without the written consent of the Declarant prior to January 1, 2017, notwithstanding that Declarant has no interest in the Properties at the time, (ii) Declarant shall have the right to amend this Declaration at any time from time to time, without the consent of any Member, to the extent that such amendments are required by the Federal Housing Administration, the Veterans Administration, the Federal National Mortgage Association, or other governmental authority involved in financing the improvement, purchase or sale of any of the Lots or the improvements to be constructed thereon, and (iii) no amendment shall be made eliminating any of the covenants of Articles III and IV or adversely affecting or reducing the assessments provided in Article VI without the prior written approval of the Allen County Plan Commission or its successor, and further, however, that the restrictions and covenants herein contained as they relate to the storm water detention system and the maintenance and repair thereof shall be for an indefinite period except as amended with the prior approval of the Allen County Drainage Board.

Association or any Owner to enforce any covenant or restriction herein contained shall in no event be deemed waiver of the right to do so thereafter.

Section 5. Severability. Invalidation of any one of these covenants or restrictions by judgment or court order shall in no way affect any other provision which shall remain in full force and effect.

Section 6. Headings. The headings contained in this Declaration are for reference purposes only and shall not in any way affect the meaning or interpretation of this Declaration.

Section 7. Notices. Any notice required to be given to any Member or Owner under the provisions of this Declaration shall be deemed to have been properly delivered when deposited in the United States mail, postage prepaid, addressed to the last known address of the person who appears as Member or Owner on the records of the Association at the time of such mailing.

Section 8. Storm Water Detention System and Pond Maintenance Assessment. The Association shall be obligated to maintain, repair and/or replace, as necessary, the storm water drainage system and the storm water detention system consisting of ponds shown on the Plat of the subdivision, together with outlets and water control structures, the cost of which shall be borne by all of the Owners in Valencia, Section 2, Phase II, and subsequent Owners of Lots in any and all of the sections of Valencia.

Anything to the aforesaid notwithstanding, any alteration or amendment of the Restrictions and Covenants must be made accordingly with the prior approval of the Allen County Plan Commission, or its successor, and further that the Restrictions and Covenants herein contained, and only as they relate to the storm water detention system and the maintenance and repair thereof, shall be in continuous effect for an indefinite period, except as amended with the prior approval of the Allen County Drainage Board, or its successor.
