1. Section 4 of Article V is hereby replaced with the following:

Section 4. Assessments Payable to Westchester Glens Villaminium Association, Inc. Each Owner of any Lot, excepting Colonial Development Corp., or its immediate successor in interest, by acceptance of a deed therefor, whether or not it shall be so expressed in such deed is deemed to covenant and agree to pay to the Villaminium Association: (1) annual maintenance assessment; (2) special assessments for capital improvements; and (3) maintenance assessments for exterior painting and staining. Such assessments shall be in addition to the annual assessments or special assessments payable to the Association. The assessments, together with interest, costs, and reasonable attorney's fees shall be a charge upon and a continuing lien upon the Lot against which each such assessment is made. Each such assessment, together with interest, costs, and reasonable attorney's fees shall also be the personal obligation of the person who was the Owner of such Lot at the time when the assessment fell due. The personal obligation for delinquent assessments shall not pass to an Owner's successors in title unless expressly assumed by them.

2. A new Section 8.1 of Article V is added as follows:

Section 8.1. Maintenance Assessments for Exterior Painting and Staining. In addition to the annual maintenance assessment, and the special assessments for capital improvements and extraordinary items authorized above, the Board of Directors of the Villaminium Association may levy, in any assessment year, a maintenance assessment applicable to that year for the purpose of defraying, in whole or in part, the cost of exterior painting or staining of a dwelling located on a Lot. The maintenance assessment levied shall be levied only against the Lot and the Owner thereof upon which the exterior painting or staining is performed. The Board of Directors, in determining the annual maintenance assessment provided for in Section 7 of this Article V may provide for an amount to defray a portion of the cost of exterior painting and staining to be included in said annual maintenance assessment and not to be assessed under this Section 8.1. The amount of the special assessment for exterior painting and staining shall equal the actual cost to paint or stain the exterior of the dwelling on the Lot minus any amounts provided for in the annual maintenance assessment. The Board of Directors shall notify the Lot Owner prior to commencement of the painting and staining both of the fact that a special maintenance assessment will be charged, and the amount thereof. Such amount shall be payable within thirty (30) days after the date of such notice.
